

Concrete scarifier

IDENTIFIED HAZARD	RISK (YES / NO)	PROPOSED METHOD OF CONTROL MEASURE	ARE THE CONTROL METHODS PRACTICAL?
Persons could be injured if the operator performs duties that are not his responsibility and beyond the scope of his technical capabilities.	YES	The operator should be adequately trained or licensed. The operator must not carry out any work that is outside his normal duties and report any matters of concern to his supervisor.	YES
Persons could be injured if they come into contact with moving parts.	YES	Keep body parts well away from the cutting teeth when in use. When not in use turn the machine off and ensure all safety guards are in place.	YES
Persons could be injured if they slip, trip or fall whilst using the scarifier.	YES	Ensure the operator only uses the scarifier whilst in a firm, stable position. Grip the machine firmly with both hands.	YES
Persons could be injured as a result of entanglement of hair, clothing, gloves, necktie, jewellery, cleaning brushes, rags or other materials.	YES	Keep all foreign materials and objects clear of moving parts during operation. Do not wear loose fitting clothing.	YES
Persons could be injured if the machine operator is unfamiliar with typical unsafe conditions and hazards that could affect the safe operation of the unit.	YES	The operator should be trained in determining unsafe conditions and hazards that are relative to the machine's safe operation.	YES
Persons could be injured resulting from an explosion from fire or fuel vapours.	YES	Stop the engine before refuelling. Do not refuel whilst hot. Avoid spillage of fuel when refuelling. Ensure the fuel cap is properly secured after refuelling. Keep flammables away from the engine. Do not smoke while operating, servicing or refuelling this machine.	YES
Manual handling hazard.	YES	Do not attempt a single person lift. Use correct lifting techniques. A mechanical lift is recommended.	YES
Persons could be injured if personal protective equipment is not available or being used when working in an unsatisfactory environment e.g. noise, heat, fumes, etc.	YES	Instruct the operator to ensure that appropriate personal protective equipment is available and is in good condition prior to commencing work. Only operate in a well ventilated area.	YES
